KEY

LETTERS

Dear Mighty Michigan Key Clubbers,

Thank you. Simply, thank you. There is no way for me to express the gratitude I have for all of you in electing me as your Governor and to represent you all on the international level. These past couple of months have brought great change to the Michigan district (in a good way of course)! From our new positions, to new initiatives, and to great success at International Convention, the Michigan district is truly on the rise! And this is due to the amazing effort of our dedicated members (that's you).

I, also, would you like you all to showcase your Key Club pride and push yourselves to perform as much service as you can because, ultimately, the more impact we create on our homes, schools, and communities, the better! Also, remember to apply for awards at SLC, run for district positions, and take your clubs to new heights with different service projects!

We can make the 2018-2019 service year the best one, yet. So let's do it, together!

**Yours in Service,
Sam S.**

Editor

Happy Summer my fellow members
+ hopefully soon-to-be Key
Clubbers!

I'm Monique Fang, your newly elected District
Bulletin Editor! I couldn't be happier to serve
this position, and hopefully, I'll be able to jazz
up your experience in Key Club this service
year.

If you don't know already, Key Club is a
community of people who provide service,
build character, and develop leadership.
Together, let's make this the best year yet! I
hope that by joining hands, WE can help our
community and make the world a happier
and a better place, because
WHEN YOU SMILE, I'M ALSO HAPPY.
(this is our year!)

**Yours in Service,
Monique F.**
